World Map

Directions:

Label the seven (7) continents

Label the four (4) oceans

Label the following:
- Prime Meridian
- Equator
- Tropic of Cancer
- Tropic of Capricorn

→ *Do not use **pencil**, use a **pen** to label*

Color the Continents:

Color each Continent a different color to *clearly* show the boundary of each.

Do not color the water! (Water is already shaded)

Optional - Use a key to keep the map neat and readable.
