

## Economy

- The economy in Canada is the 9th strongest in the world.
- Canada is the 10th largest exporter of oil and the 3rd largest exporter of natural gas in the world.
- Canada's location in the world helps it to be a leader in world trade:
  - It's uniquely located on 3 oceans, so it has opportunities to trade with Europe & Asia.
  - A major benefit for Canada is its border with the US (#1 trading partner).
