**Chapter VI**  
**Eurasian Social Hierarchies**  
**500 B.C.E. – 500 C.E.**

Make a social chart for each location with a short description of each class (may need to use other resources to get all the main social levels).

Remember reading the complete chapter and taking correct notes will lead to success in the classroom and on the AP Exam. Reading comprehension and note taking will increase your writing skills.
