World Map

Directions:

Label the seven (7) continents

- *Label Canada*
- *Draw the border of Canada*

Label the four (4) oceans

Label the following:

- Prime Meridian
- Equator
- Tropic of Cancer
- Tropic of Capricorn

Do not use pencil, use a pen to label

Color the Continents:

Color each Continent a different color to clearly show the boundary of each.

Do not color the water! (Water is already shaded)

Use a key to keep the map neat and readable.
